Post tapped as a top regional entrepreneur by the "world's most prestigious business award for entrepreneurs"

CHICAGO, May 29, 2008—TravelCLICK, the leading provider of ecommerce solutions and online reservations for the global hotel industry, announced its President and CEO, Robert Post, was honored as a finalist for the Ernst & Young Entrepreneur Of The Year award in the Midwest region. Selected by a panel of regional business, community and academic leaders, the winners of the regional award will be announced on June 26 at a gala event at the Hilton Chicago. Those selected will be in consideration for the national Entrepreneur Of The Year program, awarded in Palm Springs, California on November 15, 2008.

The awards are given to individuals who exhibit high levels of success in the areas of innovation, financial performance and personal commitment to their businesses and communities.

"Being recognized by Ernst & Young as one of the top entrepreneurs of the year is quite an honor, and it really speaks volumes about what each employee at TravelCLICK is doing to deliver innovative, performance-based ecommerce solutions to our clients in the hospitality industry," said TravelCLICK's Robert Post.
